

## **Monday, 19 September 2011:**

10:30 – 11:00      **Welcome and introduction to the objectives of the workshop**

11:00 – 12:45      **Introductory statements of participants, agencies and organisations**

All participants are asked to give a brief statement about:

- Their organizations involvement in satellite-based emergency mapping
- Their organisations' perspective on a global harmonization of satellite-based emergency mapping activities (expected problems, benefits, etc.)
- Expectations towards the workshop

12:45 – 13:00      **Summary of introductory statements**

13:00 – 14:00      Lunch

14:00 – 14:30      **Main objectives of the Working Groups**

14:30 – 17:00      Working Groups on:

➤ **Technical aspects and issues of collaborative emergency mapping**

Moderators: Erick Khamala (RCMRD), Jörg Szarzynski (UN-SPIDER)

➤ **Global procedural issues and concepts**

Moderators: Timothy Stryker (USGS), Hervé Jeanjean (EC-GMES)

17:00 – 18:30      **Presentation and discussion of results of Working Groups**

Short presentation by each working group – followed by questions and discussions.

20:00                  Joint dinner

## **Tuesday, 20 September 2011:**

- 08:30 – 10:30      **Discussion on key issues and future perspectives of collaborative satellite-based emergency mapping at global scale** - Panel and all participants
- Best practices
  - Rules of engagement
  - Global collaboration scheme between mechanisms, organisations and individuals
  - Operational collaboration to achieve quality control and validation of emergency mapping products through joint processing and exchange of analysis results
- 10:30 – 11:00      Coffee break
- 11:00 – 12:30      **Discussion about the possible formation of a technical working group and cooperation frame/platform to write-up guidelines and best practices for collaborative satellite-based emergency mapping at global scale**  
Facilitated by panel members
- 12:30 – 13:30      Lunch
- 13:30 – 15:00      **Continued discussion and way ahead**
- 15:00 – 15:30      **Summary and closure of the workshop**
